

**Meet Jenny Morgan
Patient Care Manager
CorpOHS – Frederick**

Jenny Morgan has worked for FMH since 1988. During her employ at FMH, Jenny completed her studies at Frederick Community College and became a Registered Nurse. Prior to joining the team at CorpOHS in 1993, Jenny was a labor and delivery nurse at Shady Grove Adventist Hospital.

At CorpOHS because of her willingness to grow professionally, she has had many different roles. Jenny has served in her most recent position as Patient Care Manager for 2 ½ years. This role is essential to the overall success of CorpOHS since she is responsible for managing the day-to-day activities of the Frederick facility. Jenny is a registered nurse and is also a Certified Occupational Health Nurse. She is a Certified Hearing Conservationist, a Certified Breath Alcohol Technician Trainer, and is Certified by NIOSH in spirometry and is a Certified Professional Collector. Jenny is essential to the continued training and education of the staff.

When she is not at work she enjoys riding horses with her daughter and cheering on her son at his football games!
