

**Meet Renea Smith
X-ray Technician
Carroll Occupational Health**

Renea Smith joined Corporate Occupational Health Solutions in 2001. Renea received her certification in Radiologic Technology from Holy Cross Hospital. In addition, Renea is certified in spirometry and audio testing.

Renea is responsible for many day-to-day tasks at Carroll Occupational Health in addition to her x-ray duties. As one of the senior members of the team at COH, Renea serves as a mentor to junior staff and ensures a smooth process for patients. Renea's positive can do attitude benefits all that come in contact with her. Her customer service and problem solving skills are impeccable.

Renea resides in Frederick, Maryland with her husband and daughter.

Carroll Occupational Health is pleased to have Renea as part of our staff and is looking forward to growing our business with Renea's outstanding commitment to patient satisfaction.
